Conclusion report by Martin Bogard.

I would like to thank the Deaflympic Committee of Slovakia for hosting the 1st Youth and 8th European Deaf Badminton Championships. I have been communicating with the OC for the past two years to ensure everything was well prepared for this important event.

The Sports Hall was great that included an adjoining restaurant, so the players had their lunch nearby also the hotels were also very close by too.

I was so pleased to have worked with our referees Jan Kolar and Richard Balint who had cooperated with me very well to ensure the tournament ran smoothly.

We had umpires from seven different countries; Austria, Czech Republic, Denmark (deaf), Germany, Lithuania, Poland and Slovakia. They have learnt some basic sign language, so they could communicate with the players which was important.

It was wonderful to have many youth players from nine different countries. One most noticeably player, Sofii Chernomorova, 11 years old from Ukraine who won 4 bronzes (all youth events and Team). Sofii is a very promising player who has an excellent future in front of her.

I was delighted to see the high standard of play from several players from several countries who fought hard throughout the tournaments.

Lastly, and not forgetting, a huge thank you must go to the City of Trencin for their support.
