## 6. The City of Kiev

Kiev is the capital of Ukraine, one of the largest and oldest cities in Europe. It is located in the middle reaches of the Dnieper, in the northern Dnieper. Political, socio-economic, transport and educational-scientific center of the country. The city has a large infrastructure and a highly developed public transport system, including the Kiev subway.

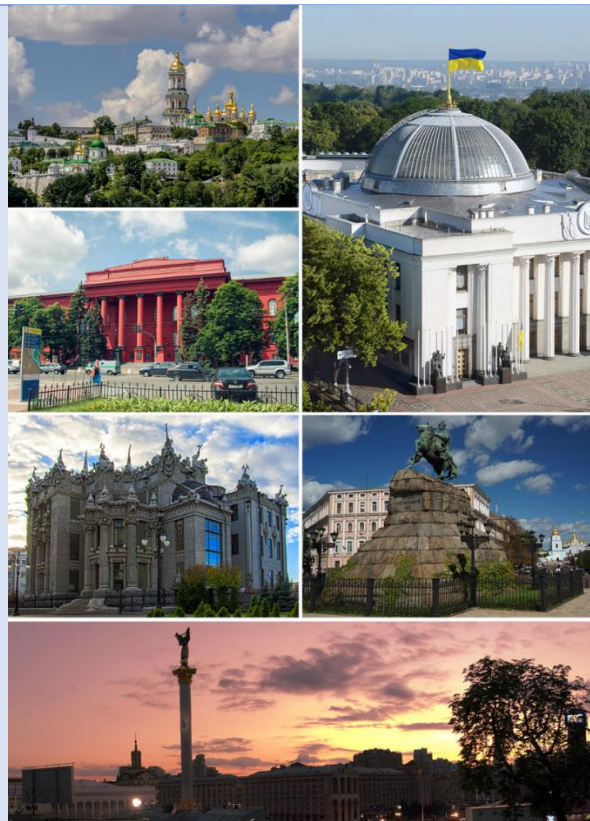

Our city has the glory of a great sports center. Competitions of the highest ranks of different sports were and take place in Kyiv. World and European Championships, 1980 Olympic Games qualifying tournament, finals of the famous Euro-2012, Ukrainian competitions - all these sports events have successfully conducted the capital of Ukraine.

The names of many athletes from Kiev (Valery Borzov, Oleg Blokhin, Klichko's brothers, Andriy Shevchenko), as well as trainers, sports clubs, etc. are known to supporters of sports from everywhere. Often, their contribution to Ukraine's worldwide recognition is more significant than some of its politicians.
